

OCCUPATIONAL HEALTH & SAFETY POLICY

SafeWay is committed to creating and maintaining a safe and healthy working environment for our people, contractors, customers and visitors.

We believe that all work-related injuries are preventable, and that everyone has a role to play in the protection of our people and facilities.

All Managers will show leadership by communicating their commitment to safety by establishing injury prevention goals and safe work practices at their workplaces.

SafeWay commits to:

- A sustainable business built on the foundation of a safe and healthy work environment.
- Health and safety being an integral part of our business operations.
- An effective OH&S consultation process.
- Promoting a culture where people are able to identify, report and assess hazards and risks.
- Reporting and investigating all incidents and accidents promptly.
- Informing, instructing, training and supervising our people in occupational health and safety practices.
- Ensuring our people are aware of and comply with all OH&S policies and procedures.
- Setting measurable OH&S objectives and targets with the goal of continuous improvement.
